*You may also choose to hear vocal or instrumental versions from the reception list below.

YOUR RECEPTION (DINNER AND DANCE SETS)

Keep in mind any ballads would only be played for slow dances or during dinner. Dance sets consist of songs that have proven time again to keep people on the dance floor. As there are hundreds to choose from on this list there is plenty of room for excluding songs that you would rather not hear during your event. You will also notice some rather "eclectic" songs of all ranges and styles - we leave these on the list because we often have clients who are fans of alternative genres and want to hear songs that represent their individual tastes for their special day – so keep in mind: we would only perform them if they were special requests and would wait till the right part of the night. In short , you don't have to worry about Nan and Pa being blown out of the dance floor by an unexpected and ill-advised hip hop, metal or obscure indie rock song etc.

The list is in alphabetical order by artist. Enjoy!
